VETERANS' RESOURCE GUIDE FOR ARIZONA'S 2ND CONGRESSIONAL DISTRICT

A Congressional Office: How We Can Help

One of a Congressional Office's core functions is to serve as an advocate for constituents who may be experiencing issues with a federal agency. Congresswoman McSally has dedicated staff based in her Tucson and Sierra Vista district offices who stand ready to assist constituents. Our office can help with a variety of issues, including, but not limited to, issues with:

- ✓ Tax returns or the IRS;
- ✓ Social Security claims or benefits;
- ✓ The Office of Personnel Management or the Department of Labor;
- ✓ The Department of Veterans Affairs;
- ✓ The Department of Defense;
- ✓ The US Postal Service including delivery problems or bad service;
- ✓ And, passports, visas, or immigration cases.

Our office can help with a host of these issues and more, as long as they deal with a federal agency. We, however, cannot be involved in situations that involve state or local government, or any legal matters involving the court system. The role of our office is that of an advocate. We can provide oversight and insight into the status of a case or issue.
